# Nature Ninjas

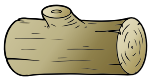
**Name:**

**Date:**

Calling all Nature Ninjas! Today's scavenger hunt is going to be unlike any other we've had thus far. On this nature walk, we are going to have a list of things to interact with instead of to collect or find. This list will not only have you moving in all directions but will help develop your agility skills, practice balance, and above all spark your sense of adventure!

**Complete as many challenges as you can while on your nature walk.**

- ☐ Find a log to balance on.



- ☐ Find a path to skip down.

- ☐ Find a rock to jump off.

- ☐ Find a branch to limbo.

- ☐ Find an animal to copy.

- ☐ Find a tree you can wrap your arms around.

- ☐ Find a tree so big you *can't* wrap your arms around it.

- ☐ Find a hill to climb up.

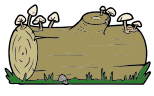
- ☐ Find a puddle to jump over (or into).

- ☐ Find a tree to climb.

- ☐ Find a rock to skip across water.

- ☐ Find something to crawl through.

- ☐ Find a log to hop over.



- ☐ Find an open area to run.
