

Riddle in the Middle

Let's step it up!

1. The early bird,
gets the _____.
2. I blow in the wind,
and I drop in the fall.
What am I?
3. You can see me soaring high,
a white head and yellow feet,
swooping, gliding, diving,
Preying on rodent treats.
4. I hop along year round,
come winter my fur turns white,
this helps me hide from predators,
who just might pick a fight.
5. Some people find me creepy,
when they find me on their wall.
But I like to practice spinning webs
and working on my roof crawl.
6. I start out crawling and then grow
a set of wings,
I can't wait to see what flowers the
garden brings.
You'll see my colours dance on by,
I must be a _____.
7. I can move really fast,
but can also stand still,
When I'm really hot I'm steamy,
When I'm cold I'll give you chills.
8. I tend to perch up high,
and swoop down for tasty food.
My routine is typically at night time,
where you'll hear me having a *hoot*.
9. I like to travel in the earth
underground,
With no arms or feet I get around.
10. I have a queen but no kingdom,
my home is in a hive. I'm busy during
the day and if I sting you'll do a jive.
11. Just because something has bark
doesn't mean it has bite. These give
us fresh oxygen in exchange for water
and sunlight!
12. Watch out for me just below your
feet, I might be on a hill or even
crossing the street.
I have small antennas and can be
black or red.
I carry things 5x the size of my head!
