

The background features stylized illustrations of trees and bushes. On the left, a tall tree with a dark red trunk and a rounded, light green canopy filled with dark green leaves. To its right, a smaller tree with a similar style. At the bottom, there are several rounded bushes of varying shades of green, some with white dots. The overall style is clean and modern.

# Trash Talk

BY TEAM ERASE THE WASTE

# Diversion Report 2020

-  **Cardboard**
-  **Compost**
-  **Paper**
-  **Plastic**
-  **Waste Stream**

# Current Systems

- Prior to COVID, students were responsible for composting and recycling through the Eco club
- Recycling and compost were removed from hallways (COVID)
  - contamination issues
- Schools across the district have different waste management strategies

# Ask 1

## SD48 Waste Management Policy

- Implementation responsibilities
- Education
- Commitment to ongoing support
- Green procurement

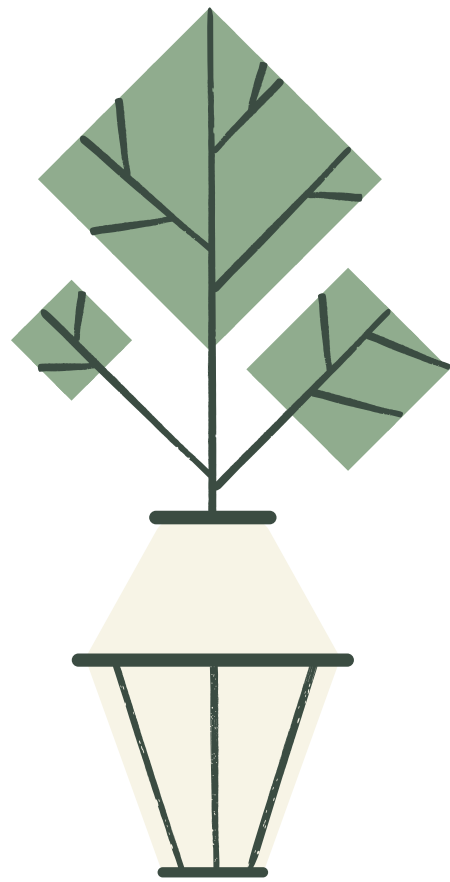

**ALL THE COOL  
KIDS ARE DOING  
IT  
IT**

# **Ask #2 Zero Waste Action Plan For Zero Waste By 2030**

- SLRD
- District of Squamish
- RMOW
- Vail
- Local Businesses

# SD48 Values & Guiding Principles

- Health & Wellness  
Take care of each other and our environment.
- Relationships  
Honouring connections to each other, our communities and our environment.
- Excellence  
Believing that excellence is within everyone's reach.

# Provincial Alignment

By implementing a waste management policy, we would be aligning with:

## 2008 SUSTAINABILITY EDUCATION FRAMEWORK

Encourages the K-12 education system to show leadership in adopting and promoting environmentally sustainable practices

## 2010 BC SUSTAINABLE SCHOOL'S BEST PRACTICES GUIDE

District-wide approach to sustainability and outlines the cost benefits of schools adopting waste reduction practices

## 2018 CLEAN BC CLIMATE STRATEGY

Circular economy approach and a shift away from waste as a throwaway model

# Local Alignment

By implementing a waste management policy, we would be aligning with:

**RESORT MUNICIPALITY OF WHISTLER  
SOLID WASTE BYLAW**

**DISTRICT OF SQUAMISH SOLID WASTE  
UTILITY AND REGULATION BYLAW 2375,  
2015**

**SQUAMISH-LILLOOET REGIONAL  
DISTRICT (SLRD) SOLID WASTE AND  
RESOURCE MANAGEMENT PLAN**

The background features stylized green trees and bushes with dark green outlines and patterns of leaves or dots. A large tree with a brown trunk and a rounded canopy of dark green leaves is on the left. Another similar tree is on the right. In the foreground, there are several rounded bushes with dark green outlines and patterns of light green dots.

# In Conclusion
